

Cardinal Newman Department of Music

Scholarship Information

The Cardinal Newman Department of Music is offering scholarships for newly enrolled music students in grades 8-10 for the 2020-2021 school year. Scholarships are awarded based on music ability and require that the student is a leader in one of our ensembles. Scholarship awards are based on the student essay and audition with the Department of Music faculty. Cardinal Newman ensembles include the Cardinal Newman Band (marching and symphonic), Orchestra, Honor Choir, and Cardinal Chorale. For more information about our ensembles, please [Click Here](#).

Students interested in auditioning for a music scholarship should fill out the application below by February 20th, 2020. Students must answer the essay question and be enrolled in private lessons on the instrument that they wish to play at Cardinal Newman. The music faculty will select students based on the application to attend our music audition night.
